

## **Admission Requirements**

### **Pre-Kindergarten-**

Students aged 3 up to 4 years who have had no prior education or who have been learning in a social setting are admitted without entrance exams. Since these placements are highly competitive, parents should register their children on the waiting list at the Central Administrative Office as early as possible.

### **Kindergarten-**

Students 4 years of age, who have been learning in other schools and show proof, attend the Vacation enrichment Program are admitted into KG. Otherwise, students who successfully pass the entrance exam are registered in KG. Since these placements are highly competitive, parents should register their children on the waiting list at the Central Administrative Office as early as possible.

### **All new students must attend the Vacation Enrichment Program.**

### **Preparatory to Grade 8-**

Students who have successfully completed the prior grade and perform well on the entrance exams are registered in the appropriate grade. Since these placements are highly competitive, parents should register their children on the waiting list at the Central Administrative Office as early as possible. All new students must attend the Vacation Enrichment Program in the vacation time.

### **Grade 9, 10, 11 and 12-**

These students are admitted based on their Ministry of Education Exam results and GSS entrance exam results. Since these placements are highly competitive, parents should register their children on the waiting list at the Central Administrative Office as early as possible. All new students must attend the Vacation Enrichment Program in the vacation time.
